

Dear parent of Royal Kidz Preschool & Nursery,

As we learn and play throughout the day here at Royal Kidz, we love capturing memories be it a birthday celebration, a child's first step or fun in its purest form, we cherish these moments.

Often times we share them with our parents on Social Media or in some other digital way.

As we steady for a leaner offering of our services however, we will be implementing many means of protection for both the school and your children.

As such, we hereby ask your permission to both capture photos and videos as well as to share your kids at work and play within our facility for your personal consumption but also for public consumption as these photos and videos help to promote and advertise our services here at Royal Kidz.

Please read the below carefully and place your signature if you agree to have your child randomly or professionally photographed or to have his or her video taken as we deem suitable throughout their stay here at Royal Kidz. Please note that this agreement will form a part of your child's existing file.

If you have more than one child at Royal Kidz, please complete one for each of them. Thank you.

Office Admin: Please detach and commit to the said child's file.
